Dec 24<sup>th</sup>, 2017, 19:30 pm

### **1. Progress**

Table 1. Progress

Tasks	IN PROGRESS	Date
dimension reduction	Evaluation parts	12.30
*2Vec survey		1.30
statistic charts survey		--

### **2. Work**

For the dimension reduction project, run out the datasets of CIFAR10 and CIFAR100 by pytorch.

### **3. To do**

Use pytorch to train the datasets of ImageNet, and test the efficiency of other datasets.
